

## API Letter of Agreement

By using HashKey Pro API services, I hereby understand and agree to the following:

i) That the use of HashKey Pro API does not guarantee a fault-free service and may, from time to time, encounter technical failure, delay, malfunction or interruption that may impact or interfere with my trading activity.

ii) That the configuration of the third party API client or software to HashKey Pro platform is my own responsibility and technical assistance from HashKey Pro support may be limited.

iii) That HashKey Pro will not be liable for any loss or damage that is caused by any malfunction of the third party API client or other related interactions with any third party software with HashKey Pro API is at my own risk.

I confirm that all the information provided are accurate, current and true.

I understand that any false statements and information given for this request is liable to a corresponding penalty.
